

General Planning Questionnaire

Dear Member,

The Committee would like to know more about your views on the Society and its activities, so that we can respond as well as possible to your needs and expectations. We haven't undertaken such an exercise for a number of years. We now have around 500 members and we feel that it would be useful to consult you. We hope this survey won't take you too long to complete.

Please tick your preferred response and provide a comment to help us understand your position (continue overleaf if necessary)
